Basic Information

- Place of Origin: China
- Brand Name: bebird
- Certification: CE ISO
- Model Number: Note5 Pro
- Minimum Order Quantity: 500
- Price: Negotiation
- Delivery Time: Within 15 working days after confirming the order
- Payment Terms: L/C, T/T

Product Specification

- Pixel: 10 Megapixels
- Battery: 230mAh
- Charging Time: About 60 Minutes
- Rod Weight: 29g
- Image Sensor: CMOS
- Model: Note5 Pro
- Lens Diameter: 3.2 Mm
- Working Time: About 90 Minutes
- Lens Rating: 4P*dust And Fog
- Input Parameters: 5V 0.5A
- Network Standard: IEEE 802.11g/g
- Product Name: Bebird Visual Ear Cleaner
- Optimum Focal Length: 13.5mm
- Gyroscope: Gimbaled Intelligent Gyroscope | Customized Request

Product Description

- **Automatic Cleaning:**

Water-powered ear cleaner with automatic operation and four water pressure levels (8-15 PSI) to choose from.

- **Comfort and Safety:**

Recommended water temperature of 37°C for comfortable and effective ear cleaning, with a soft, replaceable ear tip to prevent infections.

- **Cost-Effective:**

Allows you to clean your ears at home, avoiding expensive hospital bills.

- **Convenient Design:**

One-hand operation with a unique water self-collecting system and a gravity ball-weighted straw that allows for cleaning from any angle.

- **Durable and Hygienic:**

Features a long-lasting 1200mAh rechargeable battery and an automatic sewage recovery system that keeps the process hygienic by separating fresh and waste water.

- **Automatic Water-Powered Cleaner:**

Function: Provides adjustable water pressure for customized ear cleaning.

Usage: Select the appropriate water pressure level (8-15 PSI) for a comfortable and effective cleaning experience.

- **Temperature-Controlled Operation:**

Function: Maintains water at a comfortable 37°C.

Usage: Ensure the water temperature is set correctly to maximize comfort and effectiveness during cleaning.

- **Soft, Replaceable Ear Tips:**

Function: Prevents infections and ensures a hygienic cleaning process.

Usage: Attach a new ear tip before each use to maintain cleanliness and avoid cross-contamination

- **One-Hand Operation System:**

Function: Facilitates easy and convenient use.

Usage: Hold the device with one hand and use the gravity ball-weighted straw to direct water flow into the ear at any angle.

- **Automatic Sewage Recovery System:**

Function: Separates clean water from waste water for a hygienic operation.

Usage: The system automatically collects used water, ensuring a clean and sanitary cleaning process.

- **Long-Lasting Rechargeable Battery:**

Function: Provides durable power for extended use.

Usage: Recharge the 1200mAh battery as needed to keep the device ready for multiple cleaning sessions.

PAQ

1. What is the minimum order quantity?
