

Disposable Plastic Injection One Way Medical Check Valve CE ISO Certified for Infusion

Our Product Introduction

for more products please visit us on needles-syringes.com

Basic Information

- Place of Origin: China
- Certification: CE ISO
- Delivery Time: Within 15 working days after confirming the order

Product Specification

- Disinfecting Type: EO
- Place Of Origin: China
- Instrument Classification: Class II
- Shelf Life: 3 Years
- Certificate: CE ISO
- OEM/ODM: Available
- Color: Blue
- Product Name: One Way Medical Check Valve
- Feature: Convenient
- Packing: Individual Pack
- Highlight: Disposable Medical Check Valve, Plastic Injection One Way Check Valve, CE ISO Certified Disposable Check Valve

Product Description

Medical Plastic Injection Spare Parts Disposable One Way Check Valve for Infusion

High-quality disposable one-way check valve designed specifically for medical infusion applications. Manufactured using precision plastic injection molding for reliable performance and consistent quality.

Essential medical component ensuring unidirectional fluid flow in infusion systems, preventing backflow and maintaining treatment integrity.

Precision-engineered for medical infusion systems

Disposable design for single-use applications

Prevents backflow contamination

Manufactured using medical-grade plastics

Reliable one-way valve mechanism

Compatible with standard infusion equipment
