

Smooth Flow 3-Way Valve for Diagnostic Devices Medical-Grade PC/PE

Reliable OEM Factory

Our Product Introduction

for more products please visit us on needles-syringes.com

Basic Information

- Place of Origin: China
- Certification: CE ISO
- Delivery Time: Within 15 working days after confirming the order

Product Specification

- Processing Service: Cutting, Moulding
- Place Of Origin: China
- Product Name: Stopcock
- Material: PC/PE
- Application: General
- OEM/ODM: Accept
- Shelf Life: 3 Years
- Sterile: Disinfecting
- Feature: Durable Miniature Eco-Friendly Easy Operation
- Color: White/Blue

Product Description

Anti-Reflux Single-Handed Trifuse Connector

Advanced 3-way Luer lock connector designed for single-handed operation with anti-reflux technology. Engineered for seamless compatibility with infusion sets and manufactured using high-quality molding processes. OEM manufacturing accepted for reliable medical applications.

Key Features

- Anti-reflux technology prevents backflow contamination
- Single-handed operation for enhanced user convenience
- 3-way Luer lock design for versatile connectivity
- Full compatibility with standard infusion sets
- High-quality precision molding for reliability
- OEM manufacturing accepted for custom applications

Technical Specifications

Connection Type	3-Way Luer Lock
Operation	Single-Handed
Special Feature	Anti-Reflux Technology
Compatibility	Standard Infusion Sets
Manufacturing	High-Quality Molding
OEM Status	Accepted
