

## Multi-Functional Luer Connector Three-Way Check Valve with PC/PE Material and Factory Direct Pricing

Our Product Introduction

for more products please visit us on [needles-syringes.com](http://needles-syringes.com)

### Basic Information

- Place of Origin: China
- Certification: CE ISO
- Delivery Time: Within 15 working days after confirming the order

### Product Specification

- Processing Service: Cutting, Moulding
- Place Of Origin: China
- Material: PC/PE
- Product Name: Stopcock
- Application: General
- OEM/ODM: Accept
- Shelf Life: 3 Years
- Sterile: Disinfecting
- Feature: Durable Miniature Eco-Friendly Easy Operation
- Color: Blue
- Highlight: **Multi-Functional Luer Connector, PC/PE Material Three-Way Check Valve, Factory Direct Stopcock**

## Product Description

### Multi-Functional Luer Connector Three-Way Check Valve

Advanced three-way check valve with luer connector interface, designed for reliable fluid control in medical and industrial applications.

#### Key Advantages

- Factory direct pricing for cost-effective procurement
- Multi-functional design for versatile application use
- Three-way check valve configuration for complex flow control
- Standard luer connector compatibility

Constructed from high-quality PC (Polycarbonate) and PE (Polyethylene) materials for durability and chemical resistance.
